

# Welcome To SCRATCH Camps 2020!

\*Note -> You will need to have a computer or an iPad for this camp

This summer, I am hosting two camps:

-SCRATCH That Story (Beginner)

-Racing Through SCRATCH (Advanced)

For both camps, your child needs a SCRATCH account. You can easily create one by watching the walkthrough (in the resources section of my webpage) or by following these steps:

- 1) Go to [www.scratch.mit.edu](http://www.scratch.mit.edu)
- 2) In the top-right corner, click on Join Scratch-this will then walk you through an account set-up for your child
- 3) Once you have created an account your child is ready to go!

**\*Make sure to write down the password for your account!**

Each camp is 4 days/week and 30 minutes/day.

The meeting time will be chosen based off your survey response(s) (Sign Up).

The meeting will take place over Skype – however you DO NOT need a Skype account.

I will send out the meeting link 1-2 hours before the meeting time. Please make sure that your child joins at the specified time.

If you have any questions, you can email me at [CodeSTEM@outlook.com](mailto:CodeSTEM@outlook.com)
